<sup>(1)</sup> Earnings per share were computed on the basis of the weighted average number of shares in the period January 1st – December 31st 2009. In connection with the registration of a share capital increase at Grupa LOTOS S.A. on July 17th 2009, the weighted average number of shares includes new Series C shares issued as part of the new issue (see [Note 26](#)). The loss per share for the year ended December 31st 2008 was calculated taking into account the new issue of Series C shares of 2009.

The Group does not present diluted earnings/(loss) per share, since it has no instruments with a potential dilutive effect.
